Network Access and Device Registration

How do I access VPN?

Use the links to attachments below for instructions on how to connect to VPN from either a Mac or PC.

- Installing the Palo Alto VPN Global Protect Agent
- Installing the Palo Alto VPN Global Protect Mobile App for Android
- Installing the Palo Alto VPN Global Protect Mobile App for iOS
- Setting up Multi-Factor Authentication for VPN with Duo

If you are having trouble, please email help@carthage.edu and your request will be forwarded to a Carthage network administrator.
