

Library Resources

How do I access specialized programs, software, and hardware at Carthage?

Carthage offers software and resources to students, faculty, and staff through subscription services, purchase at a discount, or through computer labs and classrooms.

- [Software & Resources for Students](#)
- [Software & Resources for Faculty/Staff](#)
- [Computer Labs & Classrooms](#)

Please click the link below for a portal containing access instructions for [software and resources](#), such as
