How do I change Google Groups delivery options?

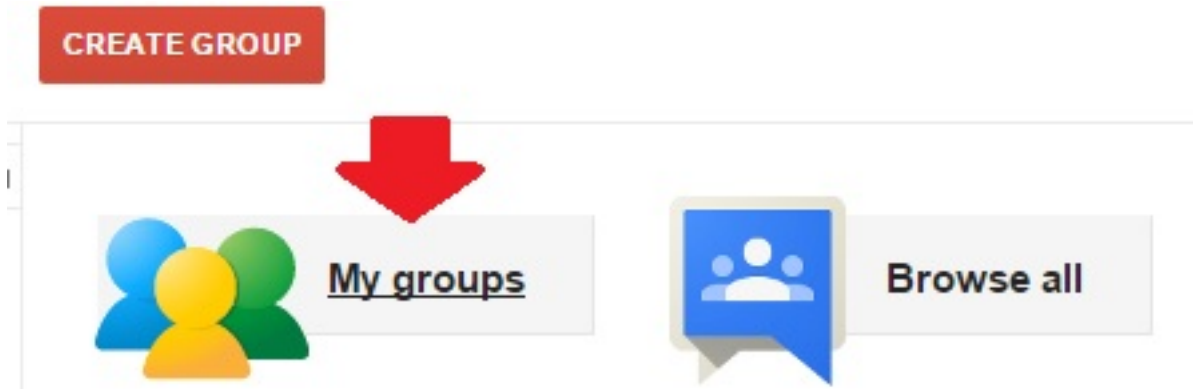

If you would like to change your delivery options for any Google Group you are a member of.

1. Open a browser and login to your Carthage email account.
2. Click on the Apps grid in the upper right-hand corner and choose "Groups."

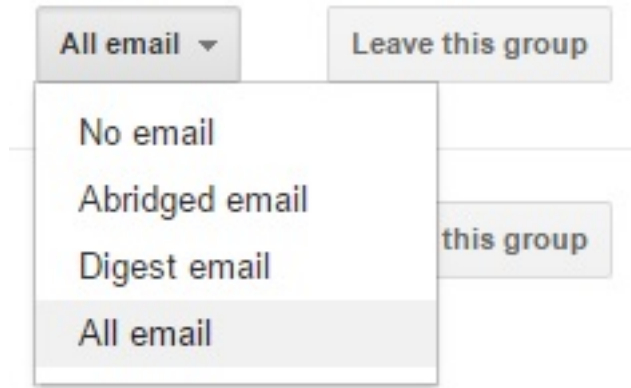

3. Choose "My Groups" for a list of groups you have created or are a member

Google Groups

of.

4. Find the group you wish to change settings for and click the drop-down

menu for "All email."
